SUBTIER PROCESS SPECIFICATION LISTING

Issue: [11/10/23](#)

To: All Suppliers

In order to guarantee our customers that we are working to the latest specification revisions and to facilitate the incorporation of changes in a timely manner, Brek Manufacturing Company will no longer apply the specification revisions to the purchase order. Instead, this form, which contains the latest revisions of the specifications needed, will be provided. Please utilize the applicable specification listed below. 'The Supplier shall work to the Latest Revision of the engineering specifications that are noted on the purchase order, regardless of the revision status that is stated within this documentation'
